

14 December 1955

**SUBJECT:** Evaluation Report on Speedlight for BOGWU  
and CGMTRIA dated 17 August 1955

1. TSS/APD appreciates the evaluation and suggestions posed in your report dated 17 August 1955.
2. Speedlight for BOOWB: The requested changes in the design for the BOOWB copy light have been incorporated in the order for additional prototypes. We are glad that this design will successfully fulfill your requirements.
3. Speedlight COMURA: No further action will be taken in connection with this device until you have received sufficient field reports to determine the usefulness of this item. At that time the details of redesign and suggestions for improvements will be discussed. Any further action on this device will also be discussed at that time.
